QuesTec Service Celebrates 2024 Signing Day with New HVAC/R Technicians

Columbia, Missouri, May 7, 2024 — QuesTec Service, a leading provider of commercial heating, ventilation, air conditioning, and refrigeration (HVAC/R) solutions, is thrilled to announce the signing of two talented technicians, Patrick Nichols and Brady Niekamp. Both Nichols and Niekamp will graduate from State Tech this month and return to QuesTec as fulltime, permanent team members since completing their 2023 QuesTec summer internship.

QuesTec Service recognizes that great employees are the backbone of any successful organization. To this end, the company actively seeks out promising individuals and invests in their growth. Through registered apprenticeships, partnering with the Department of Labor and Interplay Learning, QuesTec equips its workforce with the skills needed to excel in the HVAC/R service industry.

QuesTec is committed to providing top quality HVAC/R Service through the work of their talented people. State Tech dedicates themselves to being the ‘Employers Choice’ by producing graduates who are truly ready for the workforce, accomplishing this through strong curriculum and trade-experienced instructors. “State Tech is an obvious choice to partner with because of our mutual mission to train and employ future generations of skilled professionals” said Jane Moore, QuesTec Director of HR & Workforce Development.

On May 7th, QuesTec will host a special Signing Day to celebrate the permanent transition of Patrick Nichols and Brady Niekamp from interns to full-time HVAC/R technicians. Nichols and Niekamp impressed the company with their eagerness to learn and willingness to work hard. They will be joined by colleagues, mentors, friends, family, and community partners in celebrating this significant milestone.

“We are thrilled to welcome Patrick and Brady to our team,” said Matt Boyd, General Manager and Principal of QuesTec Service. “Their passion for the HVAC/R industry aligns perfectly with our mission to deliver exceptional service to our clients.”
